The item(s) are given a catalogue number, photographed, and added to the database!

WHERE CAN I SEE OTHER ITEMS THAT HAVE BEEN DONATED?

Not all items are on display at once. Most items are in storage and changed out to keep them in good condition.

Scugog Shores Museum Village and Archives COLLECTION DONATIONS

HOW DO WE DECIDE?

Decisions to acquire items for the core collection are based on criteria that includes:

- Provenance to Scugog:
Things made and/or used in the community, associated with a person, place, or event in Scugog
- Representation within the collection: Do we have this item or similar items already?
- Condition: Is it in good or excellent condition?
- Size restrictions

CORE COLLECTION

Items that illustrate and promote the history of the Municipality and the Lake Scugog area.

This ranges from Indigenous materials from as early as 8000 BCE to Yearbooks from the early 2000's.

Items are preserved and used for research, exhibits, and collective community memory.

EDUCATION COLLECTION

Similar to items at the Scugog Shores Museum Village and Archives (SSMVA) but not related to a specific person, place, or event.
